Rapossa has settled in!

As you know we consulted with you about a school therapy dog and we were delighted with the overwhelmingly positive response we received. Rapaoss started with us this week and meet all the children. She will be coming in every week from Tuesday—Friday. The children really enjoyed meeting her and already some children who had been scared of dogs were brave enough to give her a stroke and a tickle. We can tell she is going to really enjoy working with the children and helping them.
