Well being and Mental Health in Schools initiative

We are extremely lucky to have been chosen as a school to work with Camhs (Child and Adolescent Mental Health Service). It will enable us to access training for staff and extra resources for children and families. As part of this initiative we have been allocated a Camhs worker who will start working with the school this month.

To measure the impact of this initiative surveys are being used to collect baseline information about parent and staff views. Your views will also be asked for at the end of the project, July 2019, to see if you feel there have been any positive developments in the way schools manage, communicate and support mental health and well being needs.

Please complete the survey using the following link. The surveys will close on Friday 28th September. <https://goo.gl/forms/bPw8FPnT2DAcqTBw2> Thank you for your co-operation.

Hackney Half Term Music Course

The Hackney Music Service will be leading music courses during the October half term (Tuesday 23rd, 24th and 25th October 2018) at William Patten School in celebration of Black History Month. Two music courses will be running - one for Years 3-6 and one for Years 1 & 2. For more information, please see Jayde in the office.

History at London Fields

Year 2, 3 and 6 have been really enjoying their History topics this term. Year 2 have visited the main sights of the Great Fire of London and Year 3 have handled Ancient Egyptian artefacts at the Horniman Museum.

London Fields joins the campaign to end single-use plastics!

In the UK, 13 billion plastic bottles are manufactured each year. 5.5 billion of these end up as landfill, incinerated or as litter. One third of plastic pollution in our seas is disposable plastic bottles.

That's why we're joining the campaign to reduce single-use plastics at London Fields. We've ordered brand-new 'London Fields' water bottles, which we'll be selling on the playground and in the office for only £2.00 each! They come with either blue, yellow, red, pink or green lids, are BPA free and are made from 35% recycled material.

Of course, many children already have re-usable water bottles of their own, and we would encourage them to keep using these instead of single-use bottles.

Dates for your diary

Dates for 2018/9		Dates for 2019/20	
25th September	Y6 to Imperial War Museum	2nd September	FIRST DAY AUTUMN 1
26th September	Y2 to The Waterworks Nature Reserve	18th October	LAST DAY AUTUMN 1
3rd October	Y3 to Science Museum	28th October	FIRST DAY AUTUMN 2
