P4C in Year 5

In Philosophy for Children, in Year 5, we have been working very hard at forming questions— making a question around which we can have a philosophical enquiry. There are many different types of questions; we put a range of questions into different categories to help us decide what makes a good question for P4C. We asked the question “What is freedom?”

This week's class name is...Duffy Class

Carol Anne Duffy is the first female Poet Laureate in 341 years of the post. We were inspired to write a class poem based on 'Alphabest!' by Carol Anne Duffy.

Eric Underwood visits!

Year 3 had a special visit from one of their class name heroes—Eric Underwood! He told Underwood class all about his journey from being a dancer for The Royal Ballet, working as a Choreographer and becoming a fashion model. He also taught a special group of pupils from Years

4-6 a choreographed dance based on a story they wrote together. We then invited Underwood class to watch our short production and see Eric's work in action.

Year Six Coding!

This week, Year Six have been using SCRATCH software to create complex animations. They've had to use broadcast and receive functions, show and hide algorithms, and incorporate sound, movement and various different sprites into their haunted house stories.

The finished animations will be on the school website next week, so keep a look-out!
