

# The LF Post

Issue 20  
2.3.2018

## Year 2 Emailing

In Computing, Year 2 children have begun to learn how to send emails! They've been learning all about what an 'inbox' is, how to send and reply to emails and how to use an address book. Just ask a Year Two child to find out more!

The children use the Purple Mash programme to send their emails. They are only able to email other children in their class, and all emails are sent first to the class teacher to be pre-approved.

## Autism Awareness Workshop Monday 26th March 3:30pm

An opportunity for all parents/carers to find out more about Autism and how to actively integrate and include ASD children and their families.

## Party Bags

We know that many children like to bring in a cake and party bags when it is their birthday. Please take care when thinking about what to put into these bags—please make sure that they do not have too many sugary sweets in them. Small toys or pencils or crayons are great choices. Please also make sure that cakes do not need to be cut up into portions as staff may not have the time to do this. Thank you for your co-operation.

## School Streets Scheme Update

We have been informed that following the consultation, the decision on the School's Street Scheme has yet to be made. The process has now been delayed by elections. If the scheme is passed, the start date will now be 18th May.

## Reading Breakfast

On Wednesday, children and parents from Years 1 and 3 braved the snow to come to the first London Fields Reading Breakfast. Children enjoyed world book day poster making and making a story prop - a decorated jumper! Then there was also time to relax with a shared story and some breakfast before the morning finished with whole class poetry recitals. Thank you to the parents that helped, thank you to Mr Friel for organising the morning and thank you to all the families that visited.
