RE week at London Fields!

The last week of Autumn term was RE week for years 1-6. Here is a brief look at some of their work.

Year 1 learnt all about "Our wonderful world" they discussed different accounts of the creation story. Year 2 focused

on Hindu celebrations. They even made their own Diva lamps which are popular at Divali.

Year 3's topic was signs and symbols. Children thought about the importance of religious and non-religious symbols.

Year 6 learnt about religious and non-religious communities in Hackney. We considered the ways in which belonging to a religious community can help people then made our own coat of arms, thinking about what was important to us.

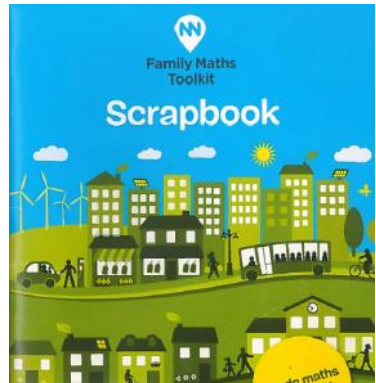

Art Week—Digital Media

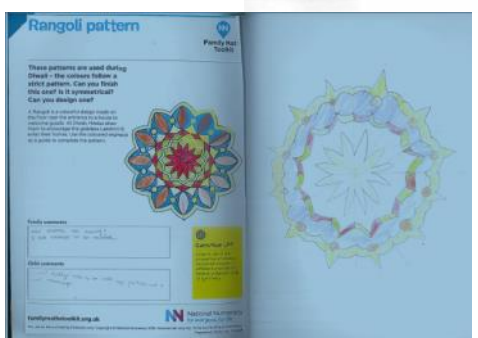

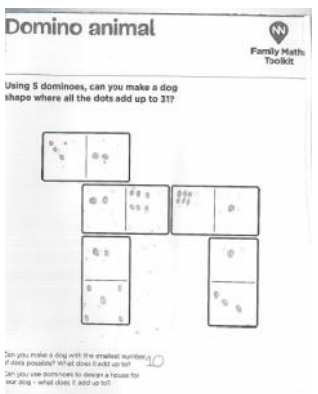

The next art focus in a few weeks time will be on digital media. The children will be learning different skills across the school such as: taking good-quality photographs using digital cameras, using apps such as coloursplash and picmonkey to create abstract photographs, using ZU3D software to create animations and exploring how a green screen works. If you have any expertise in these areas/ areas related and are interested in helping out/ supporting the children's learning please contact the school and ask for Mrs Gillard.

Maths Scrapbook

Reception are the latest Year group to take home the Family Maths Scrapbooks. Years 2, 3 and 4 are already actively engaged and enjoying a range of weekly activities. Please

do share your work with me—I've seen some really creative scrapbooks so far! Thank you children and families for engaging in this project so enthusiastically. Mrs Cardy
