Royal Academy Art Competition

Have a look at some of these incredible pieces of art which we have entered in The Royal Academy of Art's competition! The quality and creativity of the work produced was fabulous. We are now waiting patiently to find out if any have been shortlisted for the competition.

Agape, Y4

Sophie-Belle, Y3

Owen, Y5

Sasha, Y5

Geography at London Fields

Both Year 4 and Year 5 have been making models to show their geography learning. Y4 made and labelled volcanoes and performed their explanations to their class. Y5 have filmed themselves describing the parts of a river so go on to our blog section to watch the videos.

Building works at school

We just wanted to let you know that a major building project will be starting at school from May half term until November.

The whole school will be covered in scaffolding and the builders will be repairing and replacing damaged brickwork, pointing and stonework. We have worked with the contractors to try to ensure minimum disruption. They hope to complete all the noisy drilling out works during the summer holidays and then continue with the replacement works over the Autumn Term.

We will be meeting with the contractors daily to monitor progress and to ensure that there is minimum disruption.

Thank you for your co-operation and please do let us know if you would like any more information.

Dates for your diary

Dates for 2018/9		Dates for 2019/20	
17th May	Y1 to Hackney Marshes	2nd September	FIRST DAY AUTUMN 1
