

all birds Sing this song

Takeing a stroll in the forest of wisdom lies
a small bird singing its lowdest voice

Pigen, sparos, seagull

Trees, leaves, high up beez

blue tip, clouds, clear blue sky

come and make a song with me

Pigin, pigin squark this squark

seagull, seagull scream this scream

Huming bird, Humingbird Hum this Hum

all birds, all birds listen to mother

Harck and squark her squark

all fish splash my splash

Takeing a stroll under the sea
lies a fish with a voice you must see

clown fish, lion fish, sea weed
coral, dolfin, sone

Dolfin, Dolfin, splash this splash

coral, coral, smash this smash

clown fish, clownfish, ripple this ripple

all fish, all fish splash my splash!
